

A large, stylized number '12' in a bold, sans-serif font. The '1' is dark blue and the '2' is orange. The logo is set against a red background with a black border.

Mary Bailey

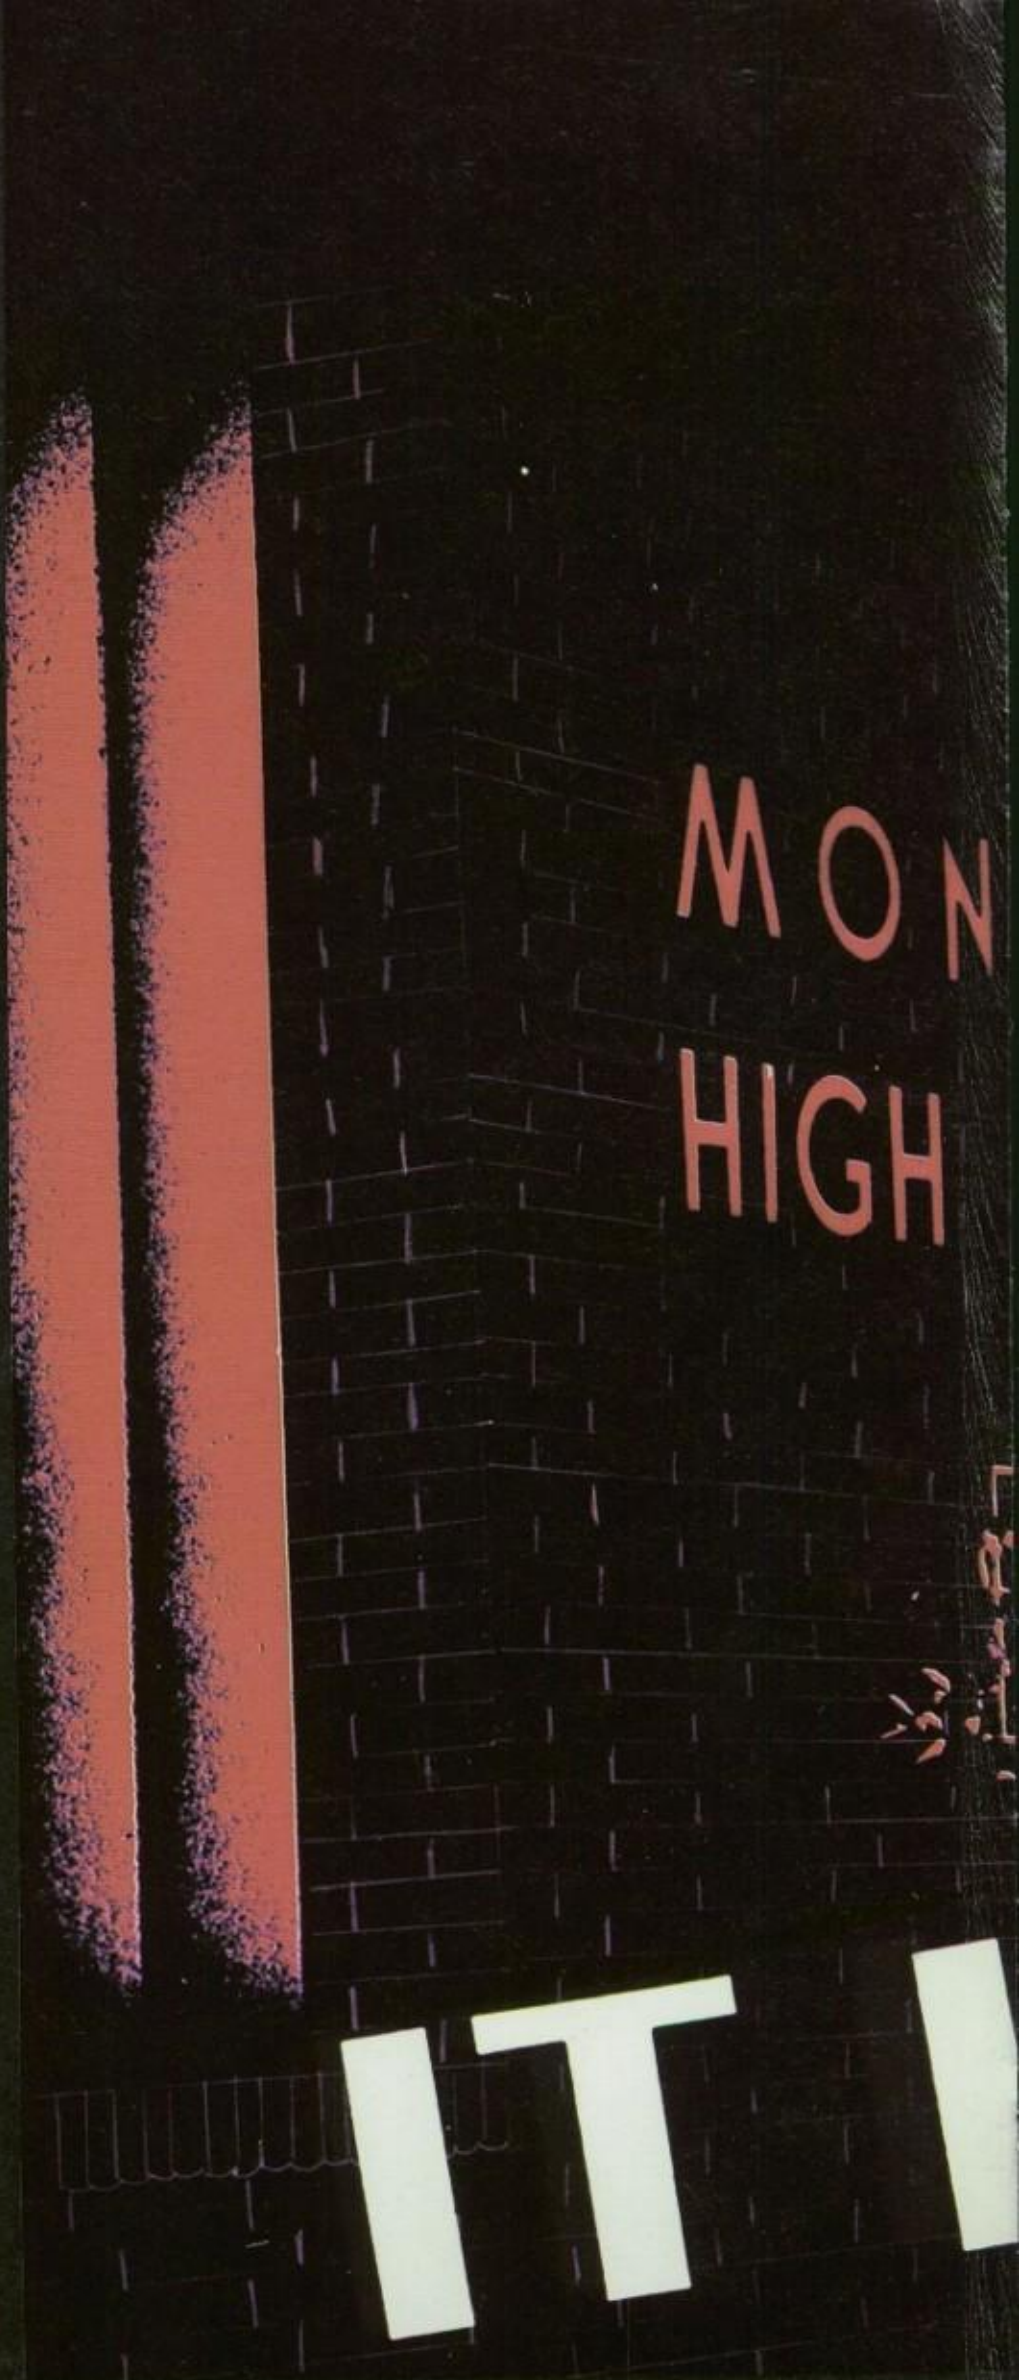

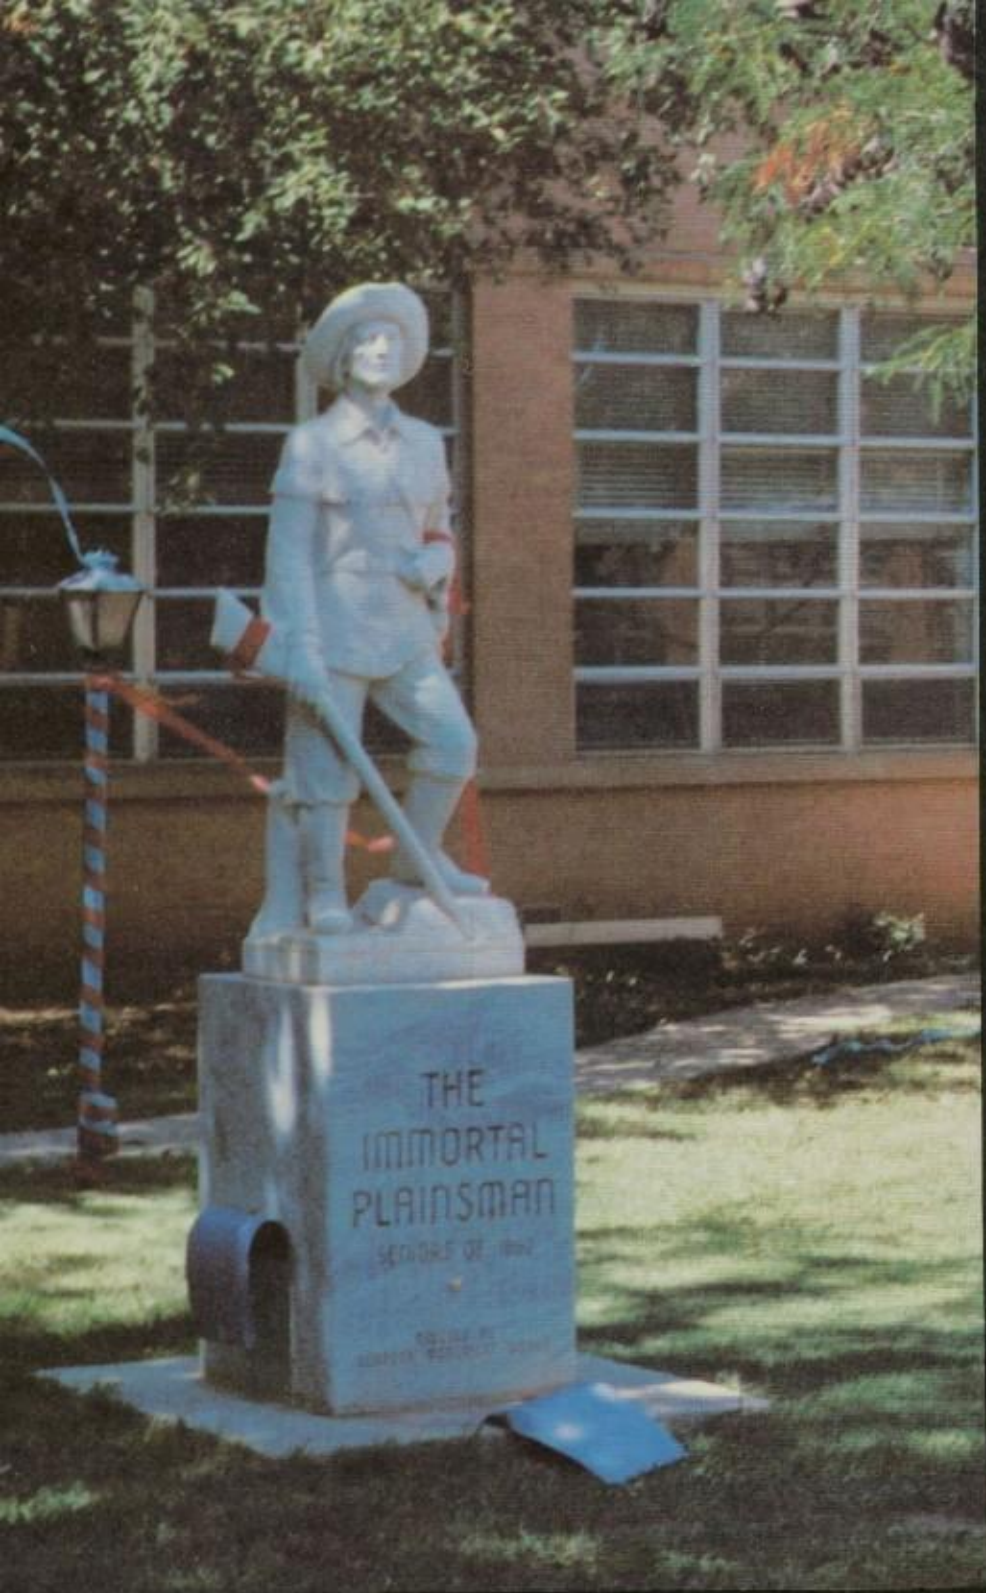

IT HAPPENED AT MONTEREY

Pep rallies . . . pay assemblies . . . power failures . . . all have happened before at MHS. But we wanted to condense for you one year — one Bicentennial year because while it happened all over the U.S., it also happened here at Monterey in 1976.

IT HAPPENED
FIRST QUARTER

SCHOOL?

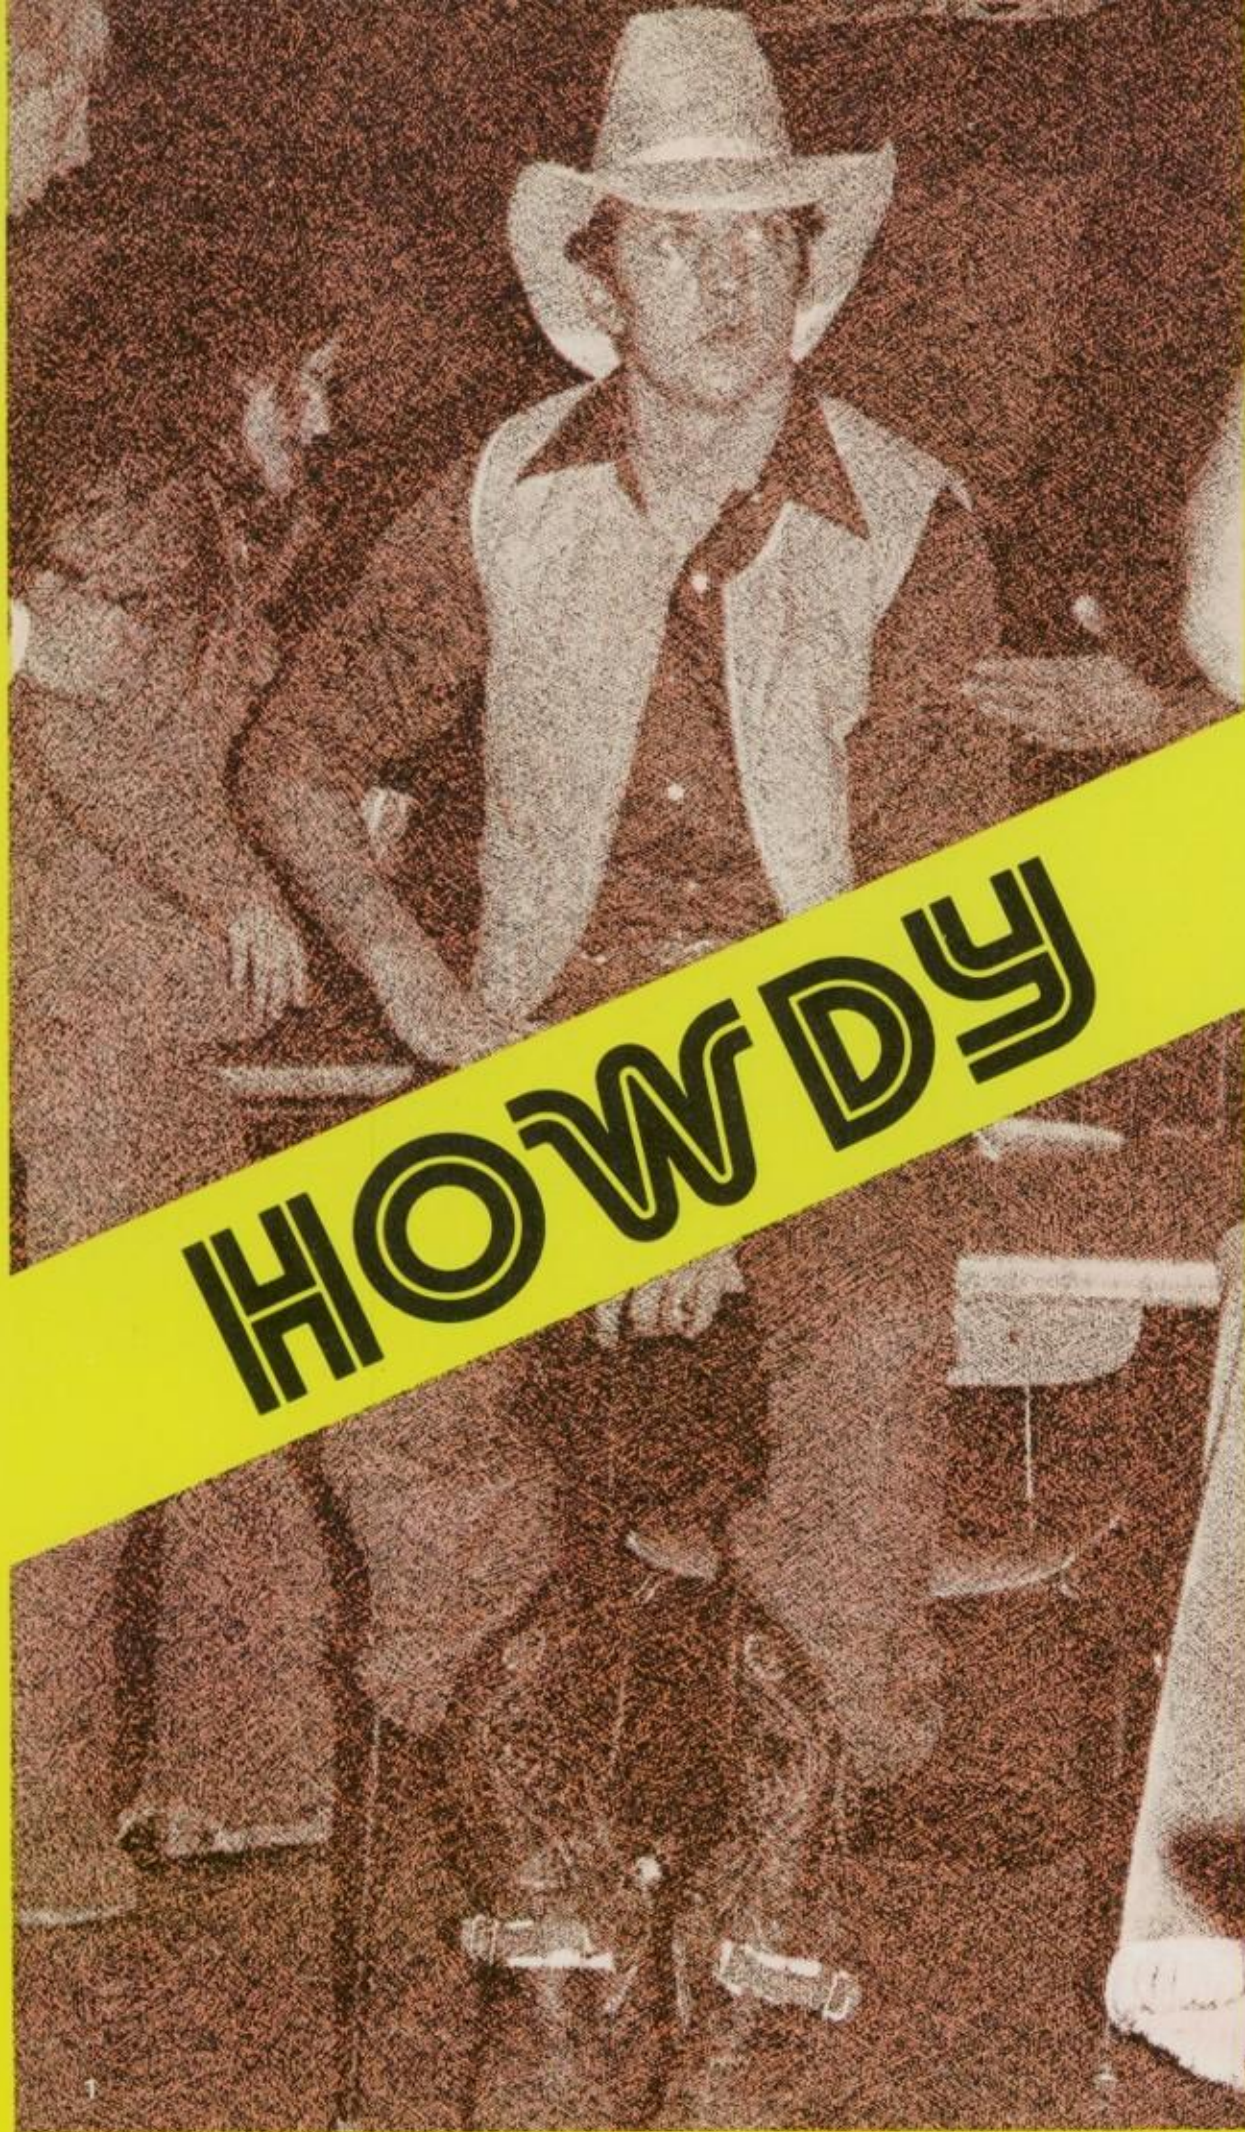

- 1 - ANTICIPATING an active year for Junior Class Council, Ms. Carroll Oates, sponsor, looks hopeful.
- 2 - FINDING that Senior Council can be full of surprises, President Steve Pate tolerates Secretary Jana Johnson.
- 3 - WONDERING what responsibilities lie ahead for Sophomore Council, President David Forbes confers with Secretary Michelle Fillingham.
- 4 - THE EVENTS and activities of an upcoming school year add confusion to David Ripley's first day at Monterey.
- 5 - THOUGHTS of Sophomore Council make sponsor Ms. Sammie Crutcher smile.
- 6 - A BUSY AGENDA calls for planning between Junior Class officers Reg Howell and Tammy Craghead.
- 7 - AN OLD PRO with Student Council, C.W. Edwards sponsors Senior Class.
- 8 - "OH BROTHER,," the pressures of the first day of school are too perplexing for Junior Debbie Cooper, as she escapes into daydreams.

1 - LOOKING "TOUGH" at Cowtown, Senior Charlie Brown takes time out to ponder his surroundings.

2 - "DUH - What yell are we gonna do?" Looking really intelligent, Senior Mark LaRoe plays the role of cheerleader at Howdy Assembly.

3 - "AHHHH" - Touched by a sentimental moment at a Cowtown marriage ceremony, Preacher Eddie Parker blushes.

4 - BUNNY-HOPPIN' to the music of "Nuthin' Fancy," these MHS kickers enjoy the excitement of Cowtown.

5 - "LEMME OUT OF HERE" - Baby Hewie (sometimes known as Scott Alford) struggles against the forces of Cowtown's crepe-paper jail.

6 - "AT COWTOWN, you can have your pie and eat it too" - Bruce Northcutt discusses the finer points of pie-eating with fellow soph's Chris Anderson and Craig Potts.

Huh? What's Cowtown? Saloons, authentic western deputies, a jailhouse, a general store and good rock music — that's right, rock music. This year's Cowtown, held in the cafeteria, saw all of this as well as John Wayne movies and a pie-eating contest. Organizer Marianna Goebel provided an almost perfect climax for Howdy Week, which started with the Howdy Assembly on September 5. A record total of 768 people attended Cowtown and enjoyed the music of "Nothin' Fancy". According to Activities Director C.W. Edwards, "This year's Cowtown was the smoothest and most hassle-free ever".

Football season arrived right on time, complete with pep rallies, bands, cheerleaders and all of the other things that helped to spur the Varsity on to a 21-0 rout of the Canyon Eagles.

We could feel great things in the air as we entered the auditorium for the first pep rally on September 4. The enthusiasm was incredible as the band and cheerleaders set the tempo for an enthusiastic game day. That night, the high spirits carried through the entire game as the Plainsmen opened their season with a rousing victory.

1 - *KEEPING HER EYE* on the game, cheerleader Nancy Scott takes a drink of coke.

2 - *DISCUSSING* the techniques of bellringing, Seniors Jerry Reeves and Brad Wideman attend the first football game.

3 - *IN THE SPOTLIGHT* at the first football game, twirlers Karon Beckwith, Kay Casner and Cindy Greer participate in a fantastic halftime show.

4 - *IN AN EFFORT* to boost Plainsman spirit, BDHR's Mark Griffith, Kim Coulter, Brad Wideman, Kevin Cox and Robert Rutledge contribute to the first MHS pep rally.

5 - *FULFILLING* one of her many Student Council responsibilities, Tricia Wade sells tickets to the first football game.

6 - *LISTENING* intently to the speaker at the first pep rally, Seniors Mike Lowrey and Larry Green get excited.

7 - *"HEY, look what I found"* — the referee at the Canyon/MHS game pauses to make his call.

8 - *BITING* his lip in concentration, Senior Gary Staley watches the action from the sidelines.

9 - *FOCUSING* his attention on hanging crepe paper, Senior Chuck Wilson participates in homeroom decorations.

A black and white photograph of a large crowd of people, likely at a concert or festival. The word "MAGAZINES" is overlaid in large, bold, white capital letters across the top of the image. The crowd is dense, with many people looking towards the camera or slightly away. The lighting is bright, suggesting an outdoor daytime setting. The overall mood is energetic and crowded.

PROJECTS build funds

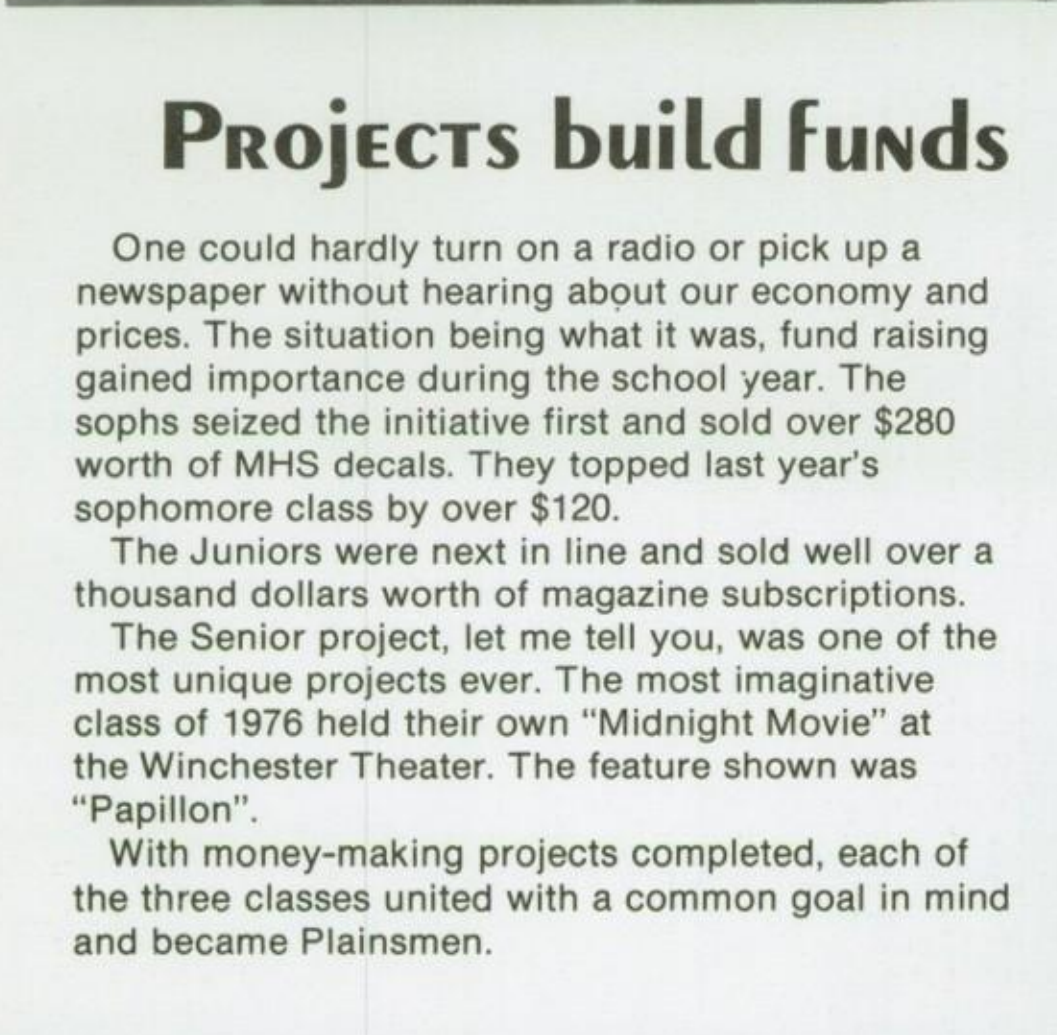

One could hardly turn on a radio or pick up a newspaper without hearing about our economy and prices. The situation being what it was, fund raising gained importance during the school year. The sophs seized the initiative first and sold over \$280 worth of MHS decals. They topped last year's sophomore class by over \$120.

The Juniors were next in line and sold well over a thousand dollars worth of magazine subscriptions.

The Senior project, let me tell you, was one of the most unique projects ever. The most imaginative class of 1976 held their own "Midnight Movie" at the Winchester Theater. The feature shown was "Papillon".

With money-making projects completed, each of the three classes united with a common goal in mind and became Plainsmen.

With money-making projects completed, each of the three classes united with a common goal in mind and became Plainsmen.

rn, Mrs. Pam

Tyl PLEASES TOTS

At a particular time on a particular morning last October, the Monterey campus was invaded. But, don't panic; it was only the elementary school children who had come to enjoy the Monterey Drama Department's presentation of "The Adventures of Tyl." This was a delightful story about a non-conformist. Tyl was brilliantly portrayed and the rest of the excellent cast showed multi-talent in this 15th century German play. This year, for the first time, the cast presented their play to city junior highs. Credit should be given to Harlan Reddell, who directed this most enjoyable play.

1 - LAUGHTER SPREADS throughout the audience during the performance of "Tyl".

2 - IN A TRAUMATIC MOMENT during "Tyl", Herb Newton fully portrays his character.

3 - INTENSE EXPRESSIONS overcome Vanessa Hill and Robert McVay during the production.

4 - EXCITEMENT AND JOY shine in the eyes of an elementary school boy during the Children's Play.

5 - REHEARSALS REQUIRE much time and work for Herb Newton and Robert McVay.

And THEN THERE WERE DAYS...

There hadn't been a change in Monterey pep rallies for years and years and years but, suddenly, from the first, the rallies this year were different. Part of the difference was the special clothing worn by the whole student body on game days. First we all freaked out to beat Midland then we rouged our knees and greased our hair for Twenties Day after that, we went hick one day, wore hats and had No Match Day, then climaxed the whole nutty business with a Fifties Day. It's questionable just how much we learned on those days, but one thing's for sure . . . we won't forget 1975 pep rallies.

Execs iron wrinkles of big city system

We all had our opinions about school. For years we all said, "If we could only do it our way!" Teachers often longed for changes and felt frustration when things stayed the same. Parents, on the other hand, had their own ideas about the whole operation.

The people that are caught in the middle are the school board, who are the elected representatives of the people, and the administrators that house their offices over on 19th street.

The board, chaired by Charlie Waters, heard all sides and tried to operate in the best interest of all concerned.

The administrators, headed by Superintendent Ed Irons kept it all working smoothly. He was assisted by Dr. E.C. Leslie, Harold Glasscock, and Jay Gordon as well as many others.

Under the guidance of these people we all had class every day all year and found our school consistently ranked among the best in the country.

As the year progressed, we got into some really advanced stuff like graphics, painting appreciation and sculpture. We even learned how to make our own jewelry.

Visual advertising styles including layout and illustration were among the things we studied in graphics. Pottery class gave us the opportunity to create things uniquely our own as did the painting classes.

One of the first things we noticed about the Social Studies department this year was several new course titles — Major World Religions, American Indian Studies and Black Studies. This year social studies also included World Geography, Advanced Texas History, Advanced Social Science Problems and Bible. Besides reading Ann Landers and the comics, we put on skits portraying early America. In addition, some of us learned more about our government and our rights under a democracy.

5 - FOOD BECAME the day's topic when Junior Dana Dye serves to her American History class.

5 - "STRIKE UP THE BAND!" The MHS drummers prepare to perform during halftime activities.

Never underestimate the power of a woman, especially that of a Band Girl. The club consists of 80 bubbly, bouncy Band girls who did more exciting things than you can imagine! Under the leadership of Pres. Rhonda Smith, Vice Pres. Lindy Fruge, Sec. Le Anne Lincecum, Treas. Cindy McFarlin, and Social Chairman Kathy Smith, they learned about everything from modeling and make-up to rape and self defense. Besides programs enriching their own lives, they sponsored a Valentine Party for the State School and an Easter Party at the Children's Home. There was no end to the exciting activities a Band girl could get involved in as part of "Power Unlimited."

S=ND:SSENORS=ND:SSENORS=ND:SSENORS=ND:SSENORS=ND

The Big PLAINSMAN BAND

ONE out of EVERY SEVEN STUDENTS

The school year began for our band long before classes started. Early in August they began practicing for the first football game and honored Coach James Odom in halftime activities. Making over \$7000 from the annual Spaghetti Supper, they traveled to a marching contest in Dallas. A side trip to the Texas State Fair proved to be exciting for all of them. The many hours of monotonous, hot marching paid off as that "Swingin' Beat from 50th Street" scored a #1 rating in the fall marching contest held at Jones Stadium.

What makes the MHS Band tick? Hot, dusty days, marching in the rain, Lowrey field, hours and hours of going over and over the flower routine, the Band Girls club, Mr. Gammill, Mr. Bearden, unending loyalty and dedication

CONCERTS, CONTEST highlight year for ORCHESTRA

"Practice makes perfect" and that's just what the Orchestra did! Their practice was well worth the many hours of rehearsal. They performed for Hutchinson Jr. High in December and for Atkins Jr. High in January, with several members playing with the Lubbock Symphony Orchestra.

May found them practicing a little bit harder for Contest, the main event for the year. Their two major pieces were "Night on Bald Mountain" and "Fugue in G minor."

3 - SPANISH students' faces reflect varied emotions as they study in lab.

clubs in ACTION

Foreign Language clubs gave students a chance to study and develop a better understanding of other cultures.

German and Latin students formed one club this year. They met to study history and literature for the various contests they attended throughout the year.

French club members studied the French customs, food and lifestyles in order to acquire a working knowledge of the French people. They also sponsored a French movie for a fund raising project.

Spanish club enjoyed parties featuring Spanish food and games. They studied Spanish culture and attended a Spanish convention in February.

The highlight of the year was the Foreign Food Fair. Students from all the languages clubs prepared foods from different countries for the enjoyment of all Monterey students and faculty.

FOOD FAIR! Eeny, meeny, miney, mo . . . Which one? I just don't know!

In a day and age where we find skilled workers few and far between, we at MHS can take pride in the fact that many of our courses are training us in specialized areas — like electronics. This Industrial Electronics course is the only one of its kind on the South Plains. Begun over 11 years ago by Instructor Charles Wilson, we've collected bits and pieces for the department every year and now broadcast from KOHM-FM daily, with live coverage of Monterey sports events. Over 50 former MHS electronics students employed at Texas Instruments, illustrates the quality training we receive. Many hours of hard work, confusion, tension and just plain faith have made our station rank high among the best in high school broadcasting in the nation.

When did Shakespeare write Tom Sawyer?

We remember other things, too. Like finding poetry in the lyrics of a pop song, reading short story upon short story, writing themes (yuck) and, well, just learning to communicate.

1 - WITH THE HELP of Ms. Alice Snodgrass, Junior Teresa Odom selects a topic for her theme.

2 - COMPARING NOTES, Sophomores Marianne Edwards and Michelle Fillingim try to decide who has the right answer.

3 - "NOW WHERE did I put my book report?" wonders Sophomore Dori Grubbs.

4 - WORKING DILIGENTLY, Junior Craig Dickson organizes his thoughts in paragraph form.

5 - AT THE HALFWAY mark of his senior year, Loyd Sanders tackles his research paper.

QUARTER SYSTEM adds pizzazz TO LANGUAGE ARTS

They told us the object of the quarter system was to offer a variety of specialized courses and in English and the Language Arts this proved true. Those interested in literary culture signed up for Humanities, learning the history of art, music, and all kinds of literature. Exercising and bizarre Greek dancing were common classroom activities.

Journalism taught many of us specialized writing skills. Newspapers, T.V. newscasts and radio broadcasts were a few of the projects we worked on during the year.

Drama gave those would be Robert Redford's and Marilyn Monroe's the chance to display their acting skills. They presented "The Marvelous Adventures of Tyl" for one of the Children's Theaters.

Those interested in law or national topics were given the chance, to air their ideas in Debate. The issue argued this year was "the development and allocation of scarce world resources should be controlled by an international organization." Contest was in February at Tech.

clubs in ACTION

National Forensic League is a national honor society for speech students. Students earned membership points in rounds of speech competition in University Interscholastic League and National Forensic League events. They had a travelling squad consisting of 15 to 20 outstanding students competing in debate, extemporaneous speaking, original oratory, prose reading, poetry interpretation, dramatic interpretation, and duet acting. They display their skills in various tournaments in November, January, February, March April, and May. Besides competition, members enjoyed many social activities: an Initiation Ceremony, a Christmas Party and an Awards Dinner.

Preparing for contest, Vicki Jones uses magazines for research.

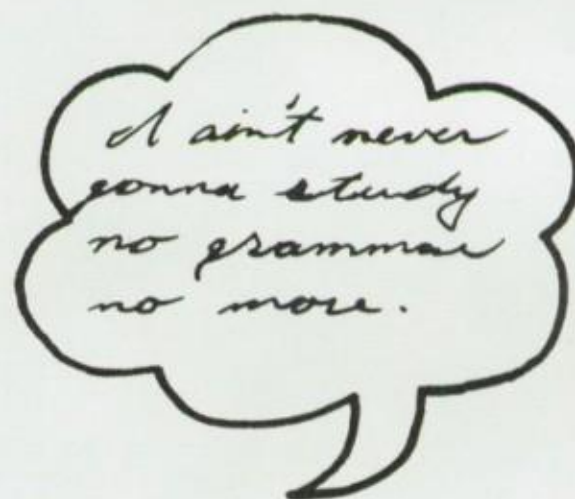

1 - WHILE CLASSMATES Herb Newton and Cheri Banks look on, Stacy Smith robes herself for a Greek play.

2 - PROVIDING the class with laughter is not Sophomore Rhonda Stewart's goal as she presents her propaganda skit.

3 - LAUGHING, Katherine McKelvy answers the question, "How's your love life?" during a propaganda skit.

4 - TEACHING FROM the overhead projector, Ms. Sharon Harris explains a poem to her creative writing class.

5 - WAITING FOR her cue, Stacy Smith gives Janeen Wingo a puzzled look.

MIRROR

It's hard to imagine what the year would have been without the Monterey Mirror. From the first issue (which was distributed on the first day of school), we looked forward to each magazine and found ourselves becoming more and more involved in the issues discussed in its pages. The small staff, hampered by a limited budget, still managed to produce a prize-winning news magazine. Each issue averaged 20 pages and examined topics such as suicide, falling SAT scores, minimum wage and busing.

Editor Phillip Thompson coordinated the efforts of Pam Hart, sports editor; Tina Hester, feature editor; and Sheri Sellmeyer, news editor; while Jan Rosen, ad manager; encouraged salesmen to meet their quotas. In a day of rising publication costs, we all realized that the Mirror was a better-than-average high school publication that did its best to keep us informed.

1 - IN DEEP CONCENTRATION

Photographer Jeff West sings one of his favorite folk songs.

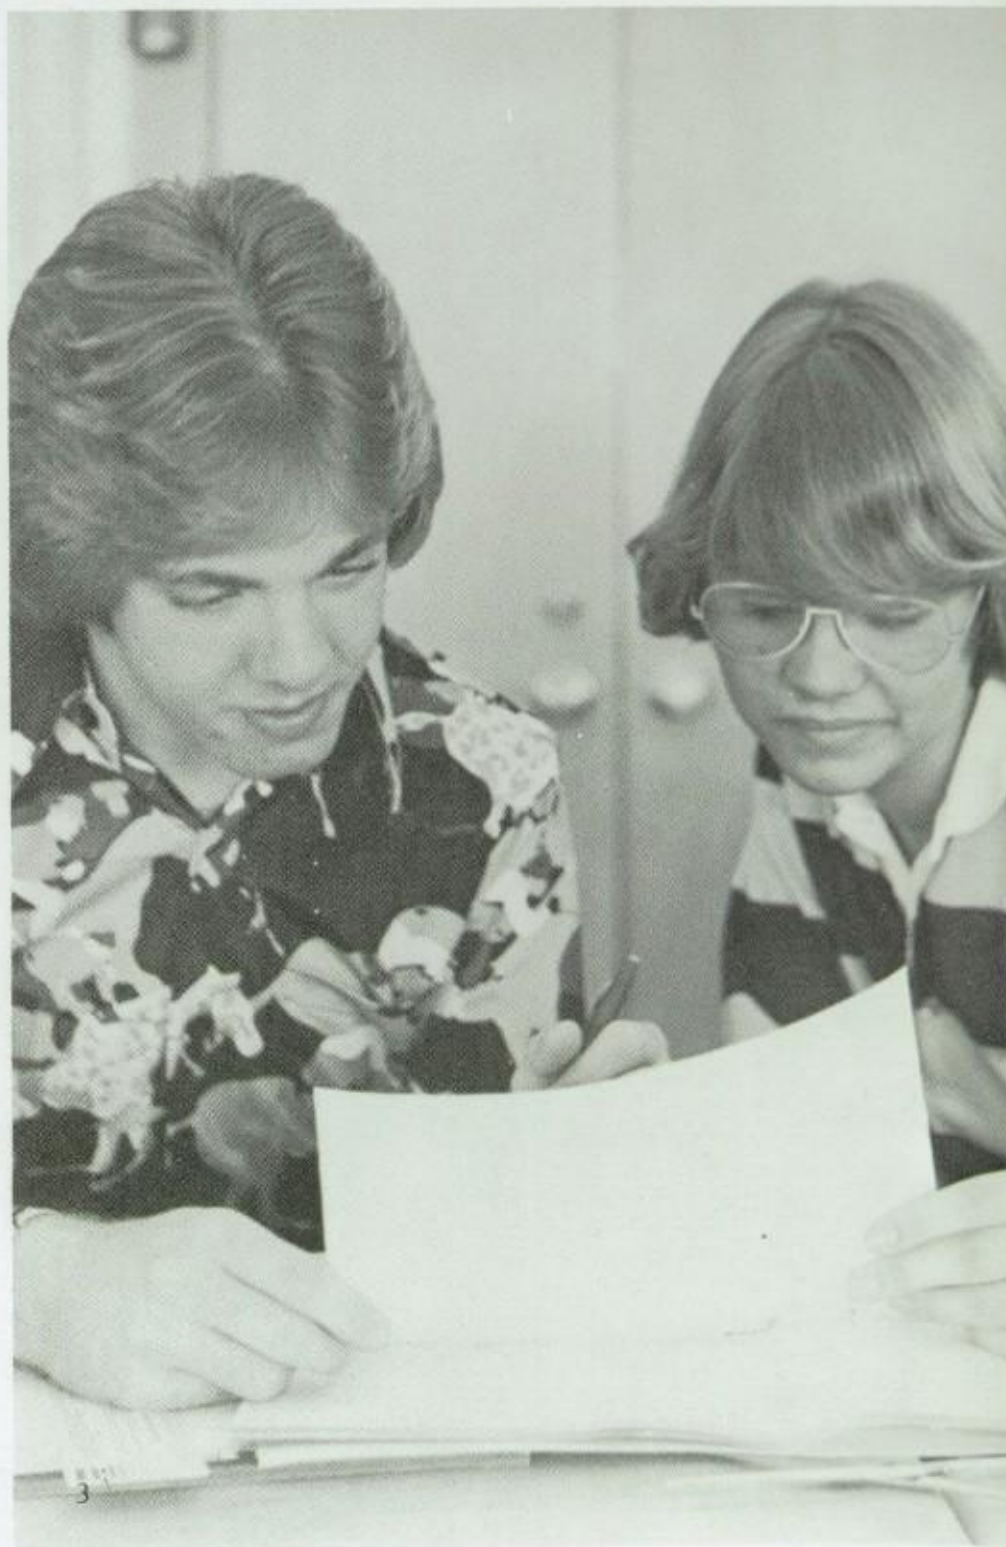

2 - FINDING ALL THE ANSWERS, Advisor Ms. Betty Stanley supervises the publication of the Mirror.

3 - LAYING OUT THE NEXT issue of the Mirror, Editor Phillip Thompson and Sports Editor Pam Hart coordinate their efforts.

4 - DISCUSSING THE NEXT ISSUE of the Mirror, Sheri Sellmeyer and Marianna Goebel exchange ideas.

5 - SELLING ANOTHER AD, Ad Manager Jan Rosen talks with a local merchant.

6 - DEEP IN THOUGHT, Feature Editor Tina Hester contemplates an upcoming story.

Majority LEARNS fundamentals;

While some of us were still struggling through Fundamentals of Math, Geometry and Algebra, math whizzes could be found in courses like Trigonometry, Calculus and Analytic Geometry. Speed Mathematics students worked with the slide rule and rapid calculations, while students in Computer Math earned valuable experience programming electronic computers. A new course, Consumer Economics, included the uses of math in business and everyday life.

1 - EXPLAINING a difficult geometry problem, Miss Wilma Nowell helps Price Ainsworth with his homework.

2 - PLEASED WITH HIS WORK, Melvin Sorrells adds a few finishing touches.

3 - PUNCHING THE RIGHT KEYS is important to Senior Tim Lee as he programs the computer.

4 - CONCENTRATING on her homework,
Linda Nixon finishes a problem.

5 - ROLLING HIS EYES over the night's homework assignment, Sophomore Darren Welch gets laughs from Lanny Auchter and Connie Casell.

We considered ourselves lucky if we were still alive after we finished our chemical experiments. Everyone told us a lot of math and science was essential in this modern world. We believed them, and even though they were hard courses, we were glad we had taken them.

Mrs. Jeanelle Culp, advisor, lends her time and Room 159 to those chemistry students interested in furthering their knowledge of atoms, molecules and other secrets of the universe.

This year, instead of officers, an executive committee consisting of eight active members was formed. This committee made decisions influencing the entire club.

Lee Anne Haltom, Helen Roberts, and Sally Temple sign up for the Chemistry Club.

2 - KNOWING HOW to use the balance is essential in chemistry discovers Ray Green.

3 - THE MICROSCOPE is a very useful

tool in biology as Liz Mendoza, Steven Dulpius, and Curt Cooper discover.

4 - TESTING a substance Carla Whitehead and Staci McClellan watch the reaction.

5 - GETTING ALL the data, Joe Nagy seems pleased with his work.

6 - PAUSING FROM his writing, Ken Gibbs observes his experiment.

Well, we found out early in the year that no one can breeze through a business course. Typing students practiced before and after school, developing speed and accuracy. General Business and Bookkeeping classes learned the value of a dollar and not to wait until the last minute to fill out complicated income tax forms. Stenography students went cross-eyed learning to take shorthand and tried desperately to keep up with the little voice over the dictaphone. But, when the year ended, we discovered that all we had learned would help us in the future.

1 - Drive Instructor Truman Shelton points out that Tammy Crockett needs to work on her parallel parking before making a final trip to the DPS.

2 - KEEPING HIS EYES on the Screen, Sophomore Randall Powell completes the simulator phase of Driver's Education.

3 - ALL IN ONE PIECE, Driver's Ed Instructor Jess Wright looks relieved to be back at home base.

Sophomores finally get

THE LICENSE

"Check left. Check right. Proceed. Hands at Mickey Mouse's ten and two. And today we're going to parallel park downtown."

Does all this sound familiar? It should, especially to all sophomores enrolled in Driver Education Training. Driver's Ed consists of three phases — classroom, simulator and in-car training. Every sophomore looked forward to the day when the classroom phase was over (even though the sleep was good) and he could get his restricted license. Simulator was three weeks of flashing lights, films and a fake steering wheel.

Finally in-car day arrived! Remember how scared we were when the instructor told us we were going to parallel park downtown that day? Then it was all over — after what seemed like endless hours of waiting — a real driver's license.

Realizing that someday we might have families of our own, some of us took Home Economics courses to prepare ourselves. They offered us a chance to help others as well as explore our feelings about marriage and divorce. Others learned about home management and interior decorating, and still others learned how to cook economically and work with fabrics. After a year of field trips and individual projects, we felt confident in our ability to handle our future family situations.

PART-TIME STUDENTS LEARN full-TIME skills

"Earn while you learn" was the goal of students in DE (Distributive Education). DE students attended class three periods a day, and worked the remainder. In class on Monday through Wednesday, they discussed club business. On Thursday and Friday, they worked in workbooks in an individual study period. Besides official club business, they sponsored many social activities: breakfasts, picnics and many parties just for fun. A city-wide Employer-Employee Banquet gave students, teachers and employers a chance to get to know one another. Courses of study included advertising, financing and personnel work. DE students sold candy and calendars to raise money for their various parties and club activities.

1 - **OUTSTANDING** Distributive Education student Steve Hoeffner gains valuable experience selling home improvement items at Newsom's.

2 - **WORKING** behind the check-out stand at Piggly-Wiggly's is honored Distributive Education student Lynnette Snook.

Co-op students squeeze jobs into busy schedule

At the end of third period every day when all the co-op people leave the building for their jobs, some of us thought, "Boy, how great that is . . . school only half day!" Most of us didn't realize that these same people not only worked 15 hours a week but kept up in basic subjects as well.

Cooperative Office Education, Cooperative Health Education and Home Economics Cooperative Education provided opportunities for these people who wanted business experience, needed money and wanted to explore vocational possibilities to get the jump on the rest of us.

The highlight of the year for this large group of people was the Employer-Employee Banquet. It was an opportunity for students to honor the people who not only filled the role of boss, but who acted as part time teacher as well.

1 - HONORED HECE student Pat McMahan checks the stock at Hemphill Wells, where he is employed as a shoe salesman.

2 - OUTSTANDING COE student Denise Stotts counts credit slips in the Montgomery Ward credit office.

3 - HONORED CHE student Kacy Maze sterilizes some instruments for two local medical doctors.

Junior Varsity gridgers compiled a 9-1 season record in winning their second consecutive district championship. Their 23-0 win over Lubbock High was considered to be the highlight by Coach Buddy Hampton who said the game was a key one because "It put us in good shape to win district." Hampton indicated that although the team had a slow start, players who weren't expected to come up with good performances and the team as a whole had outstanding individual effort, sparking the team to win their last eight games. Hampton felt that the team was a good second-half team, coming back in several games.

The Monterey sophomore team had perhaps their best season ever. Their 9-0-1 slate surpasses the 9-1 mark of the 1971 sophs. Coach Calvin Edwards indicated that this was the "best team I've ever

Rookies SET NEW RECORDS

coached". Their defense allowed only two touchdowns all season. One was scored by the Ralls JV, whom the squad beat 50-6, and the other by Lubbock High whom MHS defeated 33-6. The offense scored 276 points in the ten games.

Edwards also revealed that Assistant Coach Matt Lohoeffer helped a lot in promoting the team's success. Lohoeffer, who was a varsity player but was injured and could not compete, coached the defense.

Predistrict play for the Plainsmen featured a solid defense and an anemic offense, but the two seemed to counter-balance each other and produce a 4-2 record for nondistrict action.

In their first encounter, Monterey turned in a defensive gem in shutting out Canyon 21-0. We had another superb contest as we beat state-ranked Wichita Falls Rider 19-6 allowing the Raiders scantily more than 100 yards total offense. But our hopes were shattered by the Midland Bulldogs, who came to town and snuck out the back door with a 28-14 victory. Another loss was hung upon us in a bitter clash with crosstown rival Estacado, who scored two plays

A R-E-A-C-H TOWARD district

after a controversial punt late in the game to win 6-3. But the Plainsmen did not lose hope. They came roaring back as they did during the '74 season and turned everything around with a 14-8 triumph over Hobbs. Nondistrict play was concluded in Pampa as the 'men turned in another defensive game in whitewashing the Harvesters 14-0.

Footballers continued their winning ways as they tied Plainview to the railroad tracks and ruined the Bulldog's homecoming with a come-from-behind, last-gasp 10-7 victory to open district play.

Trailing 7-3 with less than two minutes to play, Scott Gardner engineered the Plainsmen offense to the Plainview 35, where he lofted a spectacular pass to wingback Mark Roddy. Roddy clutched the pinning pigskin seconds before he was sandwiched by two Plainview defenders. But he held on, and after Pete Runco added the PAT Monterey had themselves a football game, although the Bulldogs threw several desperation passes in the closing moments.

Monterey had drawn first blood in the contest as Runco kicked a 27-yard field goal late in the first half.

'MEN LASSO PONIES

" And It All Becan 200 Years Ago" was our theme for Homecoming '75. Our spirit was built on the rivalry that began 11 years ago against Coronado. In keeping with tradition, we crowned our queen and won our game — "homecoming style"

Having notched the second district win, Monterey took advantage of the brisk southerly wind late in the third quarter to mount a quick touchdown drive. Coronado scored with 32 seconds left in the game, but they attempted a two-point conversion, the pass went awry and MHS successfully preserved the victory.

The contest marked many successes for the team. Coach James Odom tried Dan Levacy at fullback and the results were spectacular. Levacy piled up over 60 yards as part of Monterey's biggest rushing output of the season. MHS also proved that their defense could hold on when it had to, as it gave up only 6 points and stopped Coronado well short of the magic 200 yards total offense.

The athletes showed their loyalty to their purpose through dedicated practice before and after school. Coach Harold Murrell expected 100 percent from his team, and with their dedication, it gave us revitalized hope for another top-ranked team. "MHS had the personnel and manpower in '75-'76

to have the greatest track team in Texas, but that isn't the major battle. If everyone on the MHS track team wants to win, we will!" (Randy Yates)

2 - CROSS COUNTRY TRACK — Bill Tipton, Lyle Raines, David Ortiz, Allen Holmes, Bryan Froust, David Duncan, Bobby Lugo, Joe Lugo, Joe Williams, Danny Martinez, Pat Ennis, Kevin Duncan and Randy Yates.

3 - WITH CAREFUL AIM, Phyllis Hassell bumps the ball over the net.

4 - GIRLS VOLLEYBALL — Top row: Donna Copeland, Lee McAfee, Mindy Dunn, Dawn Hinesley, Karen Tribble, Lisa Jones, Tina Hester and Ms. Barbara Burho. Second row: Sheri Davis, Kelly McVay, Debbie Newcum, Marilyn Beckner, Julie Prater and Donna Hay. Third row: Becky Ingraham, Nina Bowles, Michelle Tankersley, Kelly Crawford, Gina Stockton and Kenna Cantrell.

Using the bump defensively, Coronado roundballers overwhelmed the MHS varsity girls, taking home first-place and leaving the Plainswomen as disappointed runners-up. School pride and pure

JV GRABS FIRST place; PONIES bump Varsity

determination were shown as the girls lived down the victory that was pushed out of reach.

However, the atmosphere quickly reversed itself when the JV toppled the Ponies, winning two straight games, latching on to the city championship.

This year's volleyball proved very successful for the JV and varsity squads. "Volleyball is a great sport as far as developing team unity. This year's team united on the court and off." (Senior Dana Cammack)

Since this was Coach Barbara Burho's last year at Monterey, the athletes dedicated their playing to her and all of her hard, endless toil for P.E. and extramural groups.

STUDENT AIDES... UNSUNG... UNDERPAID

Some people will do just about anything to get out of study hall. Some lucky few were even able to find jobs here at the school. That is, instead of sleeping in study hall, they spent time working in attendance offices, helping in the library, assisting PE classes, running errands for counselors, or helping with audio visual equipment. It's a good thing these students volunteered for these jobs, for without them there was no way to get all the work done.

A TIME OF THANKS...

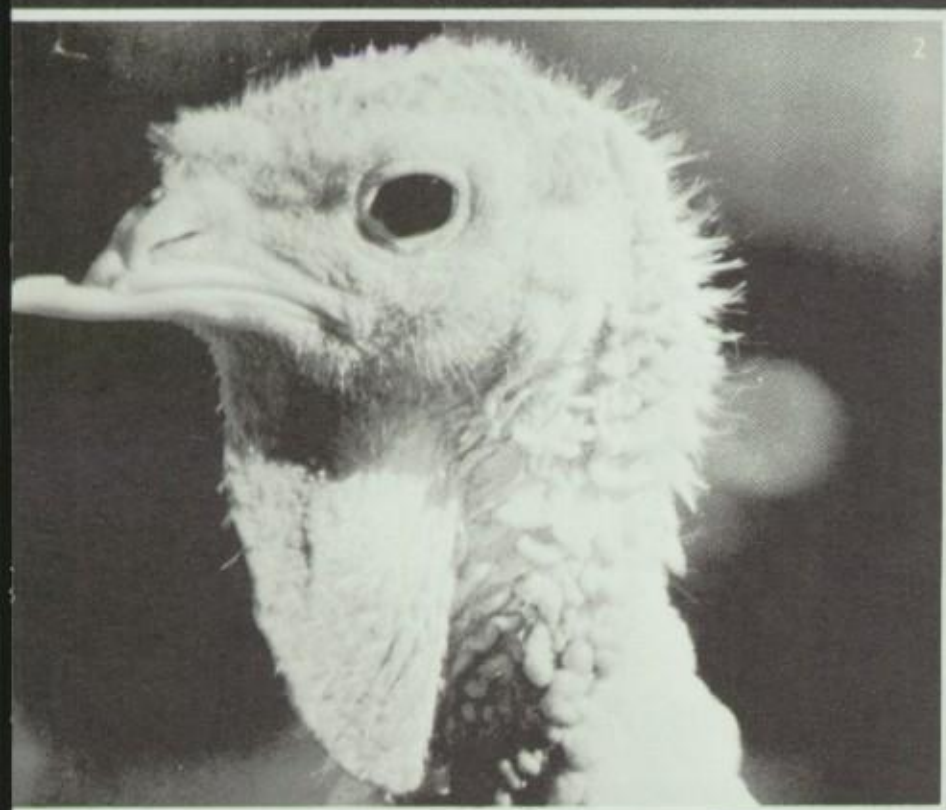

1 - CHAIRMAN Lora Smith checks over the cans, with assistance from Peggy Reynolds.

2—FACING a bleak future, Tom Turkey decides the outlook is grim.

3 - MHS STUDENTS eat the traditional Thanksgiving dinner.

...A TIME FOR GIVING

Most of us here at Monterey see Thanksgiving as a lazy day with family, a huge turkey dinner, and an afternoon of football on TV. There are those however, who are not as fortunate as we. With these people in mind, the MHS student body participated in a canned food drive for needy families in Lubbock. The Senior class led the can drive with 109 cans; Juniors contributed 97; and the Sophomores brought 74 for a total of 280 cans.

Raising canned goods was not the only Thanksgiving activity at Monterey. The week before Thanksgiving, turkey dinner was served in the cafeteria. Finally, on Thursday the long-awaited day arrived.

Pay assemblies . . . that pleasant little interlude from classes and books that all students look forward to . . . that chance to enjoy some really fine musical entertainment instead of listening to teacher's lectures. This year, Monterey was very fortunate to have two outstanding programs in the first two quarters. First, we heard the pleasant sounds of David and John Heinz from Albuquerque. Later on in the year, we enjoyed the down home sounds of Peyton and Raines, a local band. All in all, both of these shows left us clapping our hands and yelling for more.

clubs in *ACTION*

International Thespians is an honor society for students interested in the dramatic arts. Initiates are required to work on a play — backstage, as an actor, or in other areas of the theater to earn the required points for membership. Mr. Harlan Reddell, sponsor, assigns points for each hour of service. After the play is completed, initiates are "tapped." They are then required to wear the blue and gold beanie to signify that they are desiring membership. Veteran Thespians have the right to ask any initiate to kneel and recite the oath of a Thespian. Thespian social activities included the Valentine's Day daisy sales and a number of parties and breakfasts held throughout the year.

Pretending to be a clock for a pep rally skit, Carol Gilliam can't help but smile.

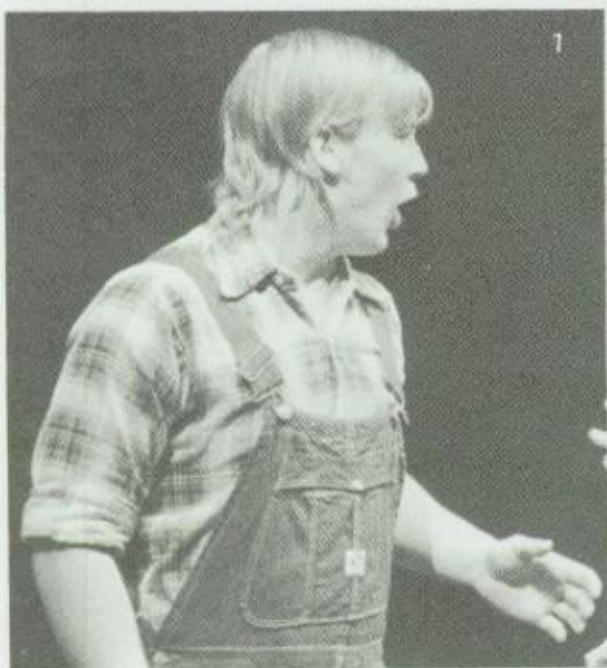

1 - A FLASH of anger overcomes Reg Howell during a tense moment of the production.

2 - DEMONSTRATING the proper way to grind coffee, Stacy Smith fulfills her part in "Our Town".

3 - APPROVAL SHINES on the face of director Harlan Reddell while watching the play.

4 - CAUGHT UP in the portrayal of his character, Senior Lee Kirby assumes his role of Stage Manager.

5 - A KISS of affection is given by Doc Gibbs (Sammy Thompson) to his wife (Jeaneen Wingo) in "Our Town"

CHRISTMAS...

That special time of year we all had anticipated arrived in December and brought Christmas magic to Monterey. The halls burst out in decorations as homerooms displayed the joy of the season. Some homerooms sponsored Christmas parties for elementary school children, and others participated in the Christmas Clearance Bureau. NHS members made and sold Christmas cards and as the big day drew nearer, carolers were heard throughout the halls. Each activity was a very important part of bringing a Merry Christmas and a Happy New Year to Monterey.

1 - THOUGHTS OF GRADUATION create apprehension for Senior Billy King as Coach Gus Wilson measures for his cap size.

2 - WITH A FIRM HAND on the ball (Scot Purkepile), Mighty Monty Monterey (Herb Newton) plans for a big victory.

3 - FINDING THEMSELVES STUCK with each other, Tammy Craghead and Paige Harr dress as Siamese twins on Drive Coronado Crazy Day.

4 - TWO HUNDRED ROLLS OF TOILET PAPER drape the Immortal Plainsman after a "snowstorm" by the Class of '75.

5 - EXCITED TO HEX THE WESTERNERS, Tammy Craghead likes being dressed backwards on Friday 13th.

**And THEN THERE WERE DAYS...
Again**

It sure is a good thing we had special days this quarter — just to liven up those old routine blues that filled the halls here at Monterey. There was a certain feeling of enthusiasm and activity when Seniors went to the auditorium (a little apprehensively) to be measured for caps and gowns it was exciting. When we had our first basketball pep rally, it was "Drive Coronado Crazy" day — and we did. Dressed in our most ridiculous get ups, we all crowded into the gym and cheered our men on to a victory against Coronado. Then in February, we grew a little superstitious on Friday 13. Wearing our clothes backwards and inside out, we planned to "Hex the Westerners" and this was exciting too. All in all, special days came along at just the right time, helping to spark up second quarter and make it a little more exciting — and a little more special.

Y-Teens sponsor Mrs. Susan Dennis and President LaVonda Pevey try on shirts for just the right fit.

A black and white photograph showing two women in profile, facing right. The woman in the foreground has dark hair styled in a bun with a small floral accessory and is wearing a light-colored, possibly striped, garment. The woman behind her has lighter hair and is wearing a dark top. They are positioned in front of a background featuring a repeating circular or floral pattern. The lighting is soft, and the overall tone is classic and elegant.

A grid of 14 black and white student portraits arranged in two rows of seven. The top row features seven female students with various hairstyles and clothing, including a turtleneck, glasses, a patterned jacket, and a striped turtleneck. The bottom row features seven students, including four females and two males, with styles ranging from long dark hair to a bow tie and a collared shirt. The portraits are set against a light, textured background.

Daises, carnations, sweethearts — these were all a part of Valentines Day, celebrated on February 13th at Monterey. Thespians sponsored their annual daisy sale and as a new twist, carnations were sold. Student Council sponsored a sweetheart contest and two MHS students were chosen as Valentine Sweethearts. Their names were submitted along with an explanation in twenty-five words or less, why they were the sweetest valentine. The winners were: Mary Beth Scioli, submitted by Jody Hughes, and Robert McVay, submitted by Betty Record. The Valentine's celebration made Friday February 13th an especially lucky day at Monterey.

PARENTS-- Who needs 'em?

Parents — we could never make it without them. In addition to working everyday, supporting a family and sending kids to school, there were parents who were also willing to take an active part in the volunteer parent organizations this year at Monterey. We were lucky to have their help. Each of the four organizations (PTA, Choir, Band, and Athletic Booster Clubs) was busy with meetings and activities. Parents found time to join PTA, which organized an openhouse in October and had a Teacher Appreciation Day in March. Choir Booster parents planned and sponsored a spaghetti supper, and their efforts helped the choir clear \$1600. Music, stereo equipment, and a video-machine were bought for the band by parents. Those in Athletic Booster Club gave financial aid which helped buy supplies and equipment for the Athletic Department. Most importantly, parents supported our team, our school and us. It took a lot of time, hard work and money to accomplish all that these clubs did, but they were willing. . . . Who needs parents? WE DO!!

- 1 - MAKING PLANS for Teacher Appreciation Day, are PTA members Mmes. Jim Haynie, Dirk West, Jack Woods and David Collier.
- 2 - CHOIR BOOSTER PARENT Mrs. Jay Hearn assists at the spaghetti supper.
- 3 - DURING A HECTIC MOMENT at the Solo and Ensemble Contest, a Band Booster parent gives her assistance.
- 4 - ATHLETIC BOOSTER PARENTS do their part by adding spirit and support to our team.

WE DO!

ere were those who didn't realize just how much Student Council did and how hard most of the representatives worked. It became rather frustrating at times. We did all the usual things that they do every year - - - Cowtown, Homecoming, elementary school Christmas parties, prom . . . and this year so much more was added . . . decorating the cafeteria for Christmas lunch, homeroom on Mondays, shamrocks on St. Patrick's Day, the missing popsicle sticks, the Jr. Olympics. . . there were lots of things. You know, it wasn't such a bad year.

Most of us didn't think the PSAT-NMSQT tests were such a snap, and when the scores came out many of us tended to cringe. But when the National Merit Semi-Finalists were announced, we were all happy to find out that seven from Monterey had qualified. To have your scores in the top one per cent of people tested in Texas — wow, that's some honor. And to think, eleven received letters of commendation.

clubs in ACTION

National Honor Society is an organization which stresses citizenship as well as academic achievement. Students must maintain a 3.5 grade point average and earn 9 service points annually. Service points are awarded 1 point for every hour of NHS service, including tutoring, committee work, and active participation in sports, drama, and music.

NHS held several initiation ceremonies throughout the year to welcome members who were eligible after quarter grades came out. They also sponsored a Halloween Carnival for Overton Elementary School and a Christmas project. They ended the year's activities with a Senior Appreciation Banquet.

Not quite awake, Carrie King listens to NHS minutes.

At first, it seemed rather strange having only five cheerleaders on the Varsity Squad and adding a completely separate squad for the JV and sophomore teams. But, as juniors and seniors, we quickly got used to it. We had never seen such spirited sophomores before. With no example to follow, the junior varsity cheerleaders set out on their own and showed upperclassmen that they were as much a part of Monterey as anyone.

Roundballers entered the '74-'75 campaign aspiring for another district championship, but came away disappointed as they finished each half with a 2-2 slate. Plainview and Hereford tied for the first half and Coronado won the second half.

The 'men started district play with a couple of cliff-hangers, nipping Coronado 38-27 and squeaking out over Lubbock High 50-48 in overtime. But Monterey's luck ran out and Hereford and Plainview pinned losses on them.

Coronado squared the records in the second half as they spanked MHS at home 70-57. After Monterey rallied with close wins over Lubbock and Hereford, Plainview put the final nail in the coffin as they pulled off a 53-49 double overtime triumph.

MICHALKAMEN

Plainsmen basketballers entered a new season hopeful of the district championship and the playoffs by downing Abilene Cooper 58-51. But bad games soon came as the 'Men lost back-to-back game to Odessa Permian by scores of 66-50 and 70-55.

Monterey entered the Midland Tournament and captured third place as they lost to El Paso Burges 55-43, then plastered Monahans 70-31 and downed Amarillo High 51-41. The cagers seemed to want to stay on the winning track as they romped over Dunbar 58-39, with Scott Gardner chunking in 16 points to pace the scoring.

But MHS fortunes ebbed as they travelled to Amarillo and District 3-AAAA power Tascosa squeaked out a 64-61 victory. The team then advanced to the finals of the Snyder Tournament before losing to the host Tigers in a game that was tense and close for most of the first of the half before Snyder pulled away to 64-50. One of Monterey's tourney wins was a 54-52 squeaker over Big Spring.

The 'Men came home sporting a 6-5 record to take on the Midland Bulldogs, and once again went down to the proverbial wire before MHS won 45-43. Two days later, District 5-AAAA favorite Abilene ventured to town and soundly rapped the Plainsmen 72-49. MHS took a 7-6 record into the Christmas holidays, but looked forward with anticipation to the opening of district play.

A black and white portrait of a young woman with long, dark hair, wearing glasses and a light-colored top. She is smiling slightly.

Roundballers entered the Christmas holidays with a 7-6 record as they set out to defend their title in the Caprock Holiday Tournament involving all city schools. But after victories over Wichita Falls High and Morton, the 'Men fell to Coronado 57-49 in a well-played championship game.

Plainsmen opened the new year with a 66-61 home win over Dunbar. But Monterey succumbed to another "down" performance in dropping close games in the final seconds, to Pampa 46-44 and to Amarillo 48-36. However, the 'Men rallied to salvage a victory over Palo Duro 57-54. In the final two predistrict clashes, Monterey's record slipped to a surprising 11-11, losing the final games to Borger by a score of 49-45, and to Pampa by a count of 48-44. The Plainsmen entered district with an uncharacteristic .500 slate but, according to the old proverb, "Wipe out all the records when you start playing for keeps."

JV, soph boast

Coach Robert Knight guided JV cagers to a 23-7 record, the best JV season under his direction, and their third consecutive district championship.

This team was a difficult one to stop in that they achieved even scoring from several players. Coach Knight also stated, "The turning point of the season was the Snyder tournament. We were embarrassed in three straight games, then we only lost three of our last 22."

The sophomore club was a talented and balanced team that produced the best record in Monterey history at 18-6. "They worked hard and we all had a good time," said Coach Knight. He changed some players around late in the campaign and produced perhaps the only thing close to a low spot as the team dropped three of its last four contests.

While others were still asleep, Monterey Tankers showed true dedication as they struggled through early morning workouts. They swam an average of three miles a day in preparation for meets in Amarillo, San Angelo, Abilene, Lubbock, Monahans, and Odessa.

According to Coach Wilkinson, "We are very optimistic. Each swimmer has excellent ability and skill and is very dependable. We have potential state qualifiers. . . ."

1 - COMING UP FOR AIR, Joe Rapier finishes his twenty-fifty warm-up lap.

2 - EVERY SECOND COUNTS as Sara Jones strives for better time.

3 - Top row - Coach Wilkinson, LaRoe, Straub, Vick, Hemingway, Rapier, Simpson, and Coach Carter. Second row - Grennell, Gilliam, Jones, Raqus, Calvert. Bottom row - Fanning, McNally, Hunt, and McNally.

4 - LOOKING AHEAD, Myron Grennell takes another breath for his last lap.

Sara Jones, Connie Calvert, and Carol Gilliam were victorious as they captured wins in the Texas Tech Invitational Swimming Meet held January 9th and 10th.

The morning workouts proved to be a success for the four-woman team as they placed third, ahead of the other teams with many more girls. Jones won the girls' 200 individual medley and 100 freestyle, Gilliam took the 100 butterfly and 4th in the 200 IM and Calvert stole the 500 freestyle and took 2nd in the 200 freestyle. Kay Ragus placed 7th in the 100 breaststroke and 9th in the 200 IM. A team of Jones, Gilliam, Calvert and Ragus placed 2nd in the 200 medley relay.

Against tough competition, the boys finished fifth. Alan McNally took two 6th places; Brad Straub placed 7th and 10th. Joe Rapier brought home an 8th and a 10th, Travis Simpson an 11th and 12th, and Mark McNally a 12th. A team of Mark LaRoe, Mark McNally, Gary Hunt and Rick Hemingway placed 9th in the 200 medley relay. Rapier, Straub, Simpson and Alan McNally placed 4th in the 400 freestyle relay.

This special group of senior girls who won all three years, was led by Captain Shelley Collins who was top scorer. Tina Hester dominated the defensive board by hauling down about 14 rebounds per game.

Monterey women made a clean sweep of this year's basketball as J.V. teams latched onto the city championship title also. The roundballers ended their season in a playoff against Coronado and the women got sweet revenge for an earlier defeat. The 48-44 victory over Coronado gave the Plainswomen a slate of 7-1.

Sherri Davis was definitely an added plus to the team. She doubled up as both guard and forward and led the team as top scorer and rebounder.

AN INVITATION FROM THE COMMANDER

The potential benefits for many of our younger citizens in the Army Reserve Program, particularly the Army Medical Department, are worth investigating in more detail. I would like to invite you to drop in at our training center at any time and discuss the program with our full time personnel. Or, perhaps you would like to visit the center during one of our monthly training assemblies, and visit with other reservists who have been in the program for varying lengths of time in a variety of health or health related occupations. Please feel free to visit at any time.

A few weeks of basic training, followed by a few more weeks of specialty training, followed by continuous on the job training during our monthly training assemblies may enable you to develop the skills necessary to obtain a satisfying full time civilian job in the health

field. This is an opportunity to enter an occupational area with good job opportunities and satisfaction without a prohibitive investment of time and money.

The military aspects are of some importance also. Without the active reserve the peacetime standing army would of necessity be about twice as large with a corresponding additional burden to the taxpayer — you and me! By maintaining organized reserve units staffed with skilled individuals the need for a large standing army is substantially reduced without destroying our defensive posture.

I would urge you to come and visit with our personnel, get acquainted with our unit, and see if this program might be of assistance to you in achieving your career goals.

By no means is this all that happened. Third quarter is one of the busiest times of the year, but because of the early final deadlines it has never been covered sufficiently. Therefore, this year the Chaparral staff decided to have a two volume yearbook one covering first and second quarter the other covering third quarter. The second volume will include all spring activities, spring sports and group pictures of cafeteria workers and maintenance personnel. While you are enjoying this book for the first time, the staff is busy putting the finishing touches on the second volume which you will receive in August.
